- (iv) Group B contains 22 short answer questions. Candidates are required to answer any 15 questions. Each questions carries 2 marks.
- (v) Group C contains long answer type question. Total number of question are four. All the four question are compulsory. Each question carries 5 marks.

#### GROUP-A (Objective Question)

1x50=50

1. Which of the following is an example of the volatile memory  
(i) ROM                      (ii) RAM                      (iii) PROM                      (iv) HASD DISK
2. Which of the following is associated with optics ?  
(i) CD- ROM                      (ii) Winchester disk                      (iii) RAM                      (iv) Non of above
3. Which of the following is not hardware ?  
(i) Magnetic tape                      (ii) Hard Disk                      (iii) VDU Terminal                      (iv) Assembler
4. The user can interact with the compiler with the help of which part of the Computer system ?  
(i) CRT terminal                      (ii) Interpreter                      (iii) CPU                      (iv) Memory
5. Icons are :-  
(i) Verbal Commando                      (ii) Typed Command  
(iii) Imaginary Command                      (iv) Picture Command
6. Which unit in the CPU can be called as a "Traffic Manager" of the computer system ?  
(i) ILU                      (ii) Control unit                      (iii) Memory unit                      (iv) Non of the above
7. Creates a new document based on normal template :-  
(i) Ctrl+N                      (ii) Ctrl+B                      (iii) Ctrl+o                      (iv) Ctrl+ S
8. Save the active document or template ?  
(i) Ctrl+B                      (ii) Ctrl+N                      (iii) Ctrl+s                      (iv) Ctrl+N

9. Prints the active document using current defaults  
(i) Ctrl+P                      (ii) Ctrl+N                      (iii) Ctrl+o                      (iv) Ctrl+S
10. Checks the spelling in the active document :-  
(i) F-1                      (ii) F-3                      (iii) F-7                      (iv) F-4
11. Copies the selection and put it on the clip board :-  
(i) F-1                      (ii) F-7                      (iii) Ctrl+C                      (iv) Ctrl+N
12. Open an existing document or template  
(i) F-7                      (ii) Ctrl+o                      (iii) Ctrl+C                      (iv) F-3
13. Displays full page as they are printed :-  
(i) Ctrl+F1                      (ii) Ctrl+F2                      (iii) Ctrl+F3                      (iv) Ctrl+F4
14. Cut the selection and put it on the clipboard  
(i) Ctrl+X                      (ii) Ctrl+N                      (iii) Ctrl+o                      (iv) Ctrl+P
15. Changes the Font size of the selection :-  
(i) Ctrl+N                      (ii) Ctrl+Shift +P                      (iii) Ctrl+o                      (iv) Ctrl+B
16. Move the Cursor to the top of the document.  
(i) Ctrl+Home                      (ii) Ctrl+end                      (iii) Ctrl+O                      (iv) Ctrl+N
17. Place the cursor at the end of document  
(i) Ctrl+Home                      (ii) Ctrl+ end                      (iii) Ctrl+N                      (iv) F7
18. Move the cursor to the Beginning of the line  
(i) Home                      (ii) Ctrl+O                      (iii) Ctrl+N                      (iv) Ctrl+B
19. Move the cursor to the end of the line  
(i) Ctrl +N                      (ii) End                      (iii)Ctrl + O                      (iv)Ctrl+P
20. To open a document  
(i) Ctrl+O                      (ii) Ctrl+N                      (iii) Ctrl+B                      (iv) Ctrl+S
21. To copy the selected text  
(i) Ctrl+C                      (ii)Ctrl+O                      (iii)Ctrl +N                      (iv)Ctrl+S
22. To move one word right .  
(i) Ctrl+Right Arrow                      (ii) Ctrl+Left Arrow                      (iii) Ctrl+ Up Arrow                      (iv) Ctrl+Down Arrow
23. To move one word left :-  
(i) Ctrl+Right Arrow                      (ii) Ctrl+Left Arrow                      (iii) Ctrl+ Up Arrow                      (iv) Ctrl+Down Arrow
24. To cut the selected text.  
(i) Ctrl+X or Shift Del                      (ii) Ctrl+N                      (iii) Ctrl+ O                      (iv) Ctrl+P
25. An information processor includes :-  
(i) The data base and the model base  
(ii) The central processing unit                      (iii) Incoming data and outgoing information  
(iv) Incoming data the central processing unit, the model base, outgoing information and the data base
